

## PUPIL ATTENDANCE

Pupil attendance and punctuality in school is very important. A day missed by a child is a day lost forever and they can never get it back. Parents are reminded that children should only miss school through illness or exceptional family circumstances. Parents are also reminded that school commences at 8.50am and children are required to be in their lines for this time. Over recent months we have noted a deterioration in punctuality with a significant number of children being dropped to school after 8.50am. A child arriving to school late begins the day in a stressful state and this can impact their learning. A child arriving 10-20 minutes late each day misses between 50 minutes and 1 hour 40 minutes per week – the equivalent of between 3 and 7 lessons for children in the junior classes and 2 and 4 lessons in the senior classes. This is very significant and can cause them to drop behind in their work. We all like to be on time for things we attend. School starts punctually please ensure your child is on time and help them to have a pleasant start to their day.

## WORLD BOOK DAY

We were delighted to celebrate World Book Day on Thursday 2nd March 2017. World Book Day has become firmly established as Ireland's biggest annual event promoting the enjoyment of books and reading. We had a fantastic day in school with children dressing up as their favourite character from their favourite books.

## SCHOLASTIC BOOK FAIR

Our recent Scholastic Book Fair was a terrific success. Thanks to all parents who came this year. Our Book Fair raised €2,400 worth of books for our library. These funds are much needed and are a huge bonus to our school. We are particularly grateful to the members of our Parents' Association who helped run the Book Fair. They were outstanding in their preparations and without their help the fair would not have been such a success.

## SCIENCE WEEK

We recently celebrated Science Week in Scoil Bhríde. During Science Week we planned various activities to bring Science to life for our students. We had a guest speaker, Sinead Grogan, in to speak about how Science applies to her job as a hospital inspector. Teachers and pupils from St. Mary's Secondary School kindly came in and demonstrated live experiments for all classes. On Friday, each class demonstrated an experiment of their choice in the Halla. Parents and families attended. Many thanks to everyone for making it such an enjoyable week.

### **5TH & 6TH CLASS FOOTBALL**

With such a successful campaign from our Boys and Girls football teams before Christmas, both teams have recently set about making it two from two and finishing the year off on a high. Many thanks to all parents for their cooperation and support in taking the time out of their day to drop and collect children from the school to go to matches. Without your support the children would not get the opportunity to represent the school in a sport that they clearly enjoy playing!

### **SPECIAL CLASSES SWIMMING LESSONS**

Special classes started swimming lessons at Edenderry swimming pool. Pre-school classes will have 4 lessons and the other classes will have 7 lessons. We are all looking forward to the rest of our upcoming lessons.

### **FOOTBALL FOR ALL**

### **BASKETBALL**

Basketball training has been going well in the school with many of our 5th and 6th class boys and girls getting involved. On the 8th of March we welcomed Clonbullogue NS and Rhode NS to the school to participate in a coaching tournament with our visiting coach Nico. It was an excellent day and thoroughly enjoyed by all. The school entered several teams into the FAI Schools 5 a side soccer tournament. The competition took place in Tullamore on April 5th. The boys and girls trained very hard with Mr. O'Shea, Ms. Craig and Ms. Hevican for the tournament since January. Congratulations to the Boys A team and the Girls team who won the county qualifiers and will go on to represent Offaly in the Mid-Leinster Finals after Easter.

### **ENTERPRISE DAY**

On Friday 24th of March we enjoyed Enterprise Day here in the school. It was a very successful day which gave great experience in the world of business to the boys and girls involved. The judges found it extremely difficult to try and pick winners from each section. The winners in the Junior section were - 1st- "Bracies Bows and Bracelets"- by Grace Murray and Bria Reilly.

Joint 2nd - " Fairy Neighbourhood" by Jack Hutchinson and "Fairy Doors" by Carla Considine and Eimear Dunne.  
3rd - "Smoothies and Treats"- By Kaelem Bryan and Shane Hickey.

The winners in the Senior section were-  
1st - "Art De Honeya"- by Alesha Raza Butt.

### **ANTI-BULLYING PROGRAMME**

Our Anti-Bullying Programme is ongoing across the school with every class completing lessons and activities aimed at raising pupil awareness to avoid hurtful behaviours.

### **CREDIT UNION QUIZ**

Scoil Bhríde entered three teams into the Croí Laighean Credit Union Quiz in January. All three teams competed very well with the team of Riona Loughrey, Faye Lynch, Fantasia Mustapha and Jessie Sheridan winning the Under 13 competition. They proceeded to the regional finals in Kildare House in March where the team did extremely well against very tough competition. They just missed out on the prizes on the day and a place in the national finals. We had a phenomenal interest and dedication again this year. Congratulations and thank you to all involved.

### **ENGINEERS WEEK WITH 3RD CLASS**

Engineers Week this year was from the 4th-10th March and gave the children in 3rd Class the opportunity to be an Engineer for the Day! A local engineer, Andy Usher, came in to talk about the life of an engineer, what they do each day and what exactly it is that he does. After a small presentation, the class were set a challenge: to build a bridge that spans across two chairs that would be able to hold a toy car. Although the children found this challenge quite difficult in the beginning, with some help from teachers and Andy himself, we were able to construct some freestanding bridges. Many thanks to Intel for making this day possible and Andy for taking time out of his day to allow the children to be Engineers for the day. The children really enjoyed the week!

### **INTER SCHOOLS SPORTS WITH OAKLAND'S COMMUNITY COLLEGE**

Offaly Sports Partnership and Oaklands Community College organised an inclusive sports programme with Scoil Bhríde this term and last term. Transition year pupils from Oakland's set up the P.E. activities in the Halla. The programme ran over 4 weeks with the last week culminating in an Inter Sports event between both schools hosted in Scoil Bhríde. All pupils who participated and 5th and 6th class helpers were presented with Certificates of Attendance. The event was thoroughly enjoyed by all involved and Scoil Bhríde would like to thank all in Oakland's and Aoife Byrne from Offaly Sports Partnership for this initiative. Photos of the event can be seen on our school website.
