

LIBRARY UPDATE

The Library Team wish to thank parents for all their support and book donations during the year. Going forward, we would ask that parents check if donated books are on the Accelerated Reader (AR) system as the library can only process AR books for the child's use. You can check if your books are on the AR system by visiting www.arbookfind.co.uk. We are all looking forward to another successful year next year.

The new committee is busy preparing a water review of the school and thinking of ways we can save and value water in our lives and school.

ALLOCATION OF NEW TEACHERS FOR 2017-2018 SCHOOL YEAR

Mr. Duffy will announce the new teachers for each class during the last week of school in June 2017. All children will have opportunities to visit their new classrooms before the Summer break. As teachers are currently being recruited, the names of all class teachers may not be known and it may not be possible for all children to meet their teacher before the break.

FIRST HOLY COMMUNION

First Holy Communion took place on 6th of May in St. Mary's Church, Edenderry. Congratulations to all the boys and girls who celebrated their Communion on this special day. It was a great day and a very special occasion for the children and their families.

CONFIRMATION

Fifty-four children from Scoil Bhríde celebrated the sacrament of Confirmation in St. Mary's church on the 20th of May. A lot of preparation went into preparing for the ceremony and great credit is due to the children for their respect and reverence on the day. The celebration ran very smoothly and Bishop Denis Nulty was very grateful to all involved. A wonderful day was had by all!

BOOKLISTS AND PAYMENTS

Class booklists were distributed in early May. We are offering parents the option of paying these costs before the end of this school year. Monies can be given on a weekly basis or as a once off payment. Parents choosing the May/June payment option should have all monies paid before **Wednesday 21st of June 2017**. Parents choosing to pay their school fees in **September/October** must have all fees paid by the **Friday 6th of October 2017**. In relation to Art & Photocopying costs, there is a €5 reduction to families who have a second and subsequent child in the school.

LIFE SKILLS

Ms. Gavin's class have been working hard to develop their life skills in the school servery. They have been baking scones, making brown bread and making toast each day for themselves.

1st June 2017

Dear Parent(s)/Guardian(s)

Welcome to the final edition of our newsletter for the 2016/2017 school year. It has been another very busy year for pupils and staff in the school. As you will see inside, the last term has been particularly active with lots of special achievements and we are planning lots of celebrations over the coming weeks.

On Thursday 25th May we were joined by the incoming Junior Infants for September and their parents. A very enjoyable afternoon was had by all. We will have an additional 3 classes commencing in September 2017 which will bring our new building to near capacity!

Congratulations to all our 6th Class pupils who recently received the sacrament of Confirmation and who will shortly be leaving us. I would like to wish them every success with their second level education and to remind them to come back to visit us.

A special word of thanks to the pupils and staff involved with our Green Schools Programme, Global Citizenship Committee, Active Schools Committee and our football teams—they have very successfully completed the year as you will read inside.

As we approach the 10th year anniversary of the establishment of Scoil Bhríde PS, I hope you and your family have an enjoyable summer break and look forward to seeing you all on Tuesday August 29th!

TRIP TO LOCAL FOREST & EDENDERRY POWER STATION

As part of a study on forestry and renewable forms of energy, Sixth Class recently visited a local forest & farm and Edenderry Power Station. At the forest & farm, Sixth Class met lots of animals, partook in obstacle courses, identified the different trees and practiced their survival skills by building huts. At Edenderry Power Station, they learned about energy production, and the move to biomass instead of peat for fuel. Padraig, Ken, Miles and Peter at Edenderry Power Station were very generous with their time, showing Sixth Class around the Station.
