THANK YOU

Finally, a big "Thank You" to everyone who has been involved, directly and indirectly, in bringing our school building project to fruition. There is no doubt it is a building to be very proud of and, we are sure, it will serve the current and future generations of local children very well.

Newsletter Special Edition

Dear Parent / Guardian

At last the news we've all been waiting for is here, the dates have been set, the OPW has confirmed we will transition from our current premises to our new school building in Killane from the 13th – 15th of February with some classes commencing in the new school on Monday 16th February.

After all the hard work, fundraising and patience, we've now got to the crucial stage: planning the move. *We now need you to carefully read the content of this Newsletter* to ensure that the huge logistical challenge that is presented by the move of hundreds of pupils, the staff, school learning resources, furniture and fittings goes ahead smoothly over the coming weeks. Any move can be stressful for children, we are providing as much detail as is currently available to enable you to discuss the process with your child and to reassure them that you know what is happening and that you know when to bring them to the new school and when to collect them.

This is a very exciting time for us all but it is also a very busy and intense time. We have tried to pre-empt as many of your questions and concerns as possible. However, as we have not yet occupied the premises it is not possible for us to be able to foresee all the issues that may arise and I expect everyone will need a little time to adjust and settle into the new location and routines. Therefore, I am asking for your support, co-operation and understanding during the initial days of our transition.

Is mise le meas,

Caoimhín Ó Dúfaigh (Príomh Oide)

OPEN EVENING FOR FAMILIES AND FRIENDS OF SCOIL BHRIDE PRIMARY SCHOOL

We know lots of you would love to come and see our new facilities and we are very conscious of the huge goodwill and support the community has given us since our establishment in 2007. We are more than happy to have everyone visit, however, we would ask that people give us a few weeks to settle in. We will hold an **Open Evening**. It is likely to be a couple of weeks after we move and we will give you plenty of notice. In the meantime we will post pictures to our website to keep you up to date with our move.

FUNDRAISING

While we are all delighted with our new premises some work remains to be done. We now have rooms to facilitate various curricular activities. The Board Of Management is anxious that the space available is used to maximum potential. The Board wants to try to raise funds to purchase equipment for Science and Art and for instruments and other resources for Music and Drama. To this end the Board hopes to put in place a fundraising activity. Any parent interested in becoming involved with the fundraising phone 0868332932 for further details.

CYCLE LANES AND BICYCLE SHELTER

Parents driving their children to school are asked to bear in mind that there may be delays in the first few weeks while everyone settles into the new routines. It is important to be patient and to be extra vigilant for pedestrians, cyclists and other motorists.

ESTABLISHING CLASSROOMS

Staff will commence work to unpack and establish the Special Classes, 3rd Classes, 4th Classes, 5th Classes and 6th Classes from Friday 13th in order to have them ready for pupils for Monday morning. The furniture from the remaining classes will be delivered from Friday afternoon and staff will work to establish these classes and have them ready for Tuesday morning.
